Privacy notice on the processing of workers' geolocation data

Pursuant to Articles 13 and 14 of Regulation (EU) 2016/679 (GDPR), _____ provides the following information on the processing of staff geolocation data.

1. Data controller

The data controller is _____.

2. Purpose and legal basis

Data is processed for the following purpose: _____. The legal basis is the employer's legitimate interest and/or performance of the employment relationship (Art. 6 GDPR), in compliance with national rules on remote monitoring.

3. Categories of data

Geolocation data (device or vehicle position) linked to the worker is processed.

4. When and how

Position is recorded _____. The processing is proportionate to its purpose and does not amount to continuous remote monitoring of workers.

5. Recipients

Data is accessible to authorised staff and to processors (e.g. the software provider), who process it on the controller's behalf.

6. Retention

Data is kept for _____ and then deleted or anonymised.

7. Data subject rights

The worker may exercise the rights of access, rectification, erasure, restriction, objection and portability, and lodge a complaint with the supervisory authority.

8. Supervisory authority

Supervisory authority competent for complaints: Information Commission (ICO) (United Kingdom).

9. No automated decision-making

No decision based solely on automated processing, including profiling, producing legal effects or similarly significantly affecting the worker within the meaning of Art. 22 GDPR is taken.
